

Aarhus, den 21. september 2015

Semesterrapport nr. 2 for 2015

(1. maj – 31. august 2015)

Organisation

Nyt om medarbejdere (ændringer siden sidst)

Claus Høgstrup Vestergaard er ansat pr. 1. maj som biostatistiker med tilknytning til projektet PROCRIN.

Dennis Schou Graversen er ansat pr. 1. maj og skal beskæftige sig med projekt vedr. ”Out-of-hours telephone triage by nurses and doctors in Danish acute care settings: a study of quality focusing on communication, safety and efficiency”.

Louise Bisgaard er ansat pr. 1. maj og skal beskæftige sig med projekt vedr. akkreditering i almen praksis.

Karen Kjær Larsen er ansat pr. 1. maj som postdoc to dage pr. uge og skal beskæftige sig med et forskningsprojekt i MEPRICA (WP3), som omhandler betydning af stress, angst og depression for prognosen af kroniske lidelser.

Dimitry Davydow er pr. 1. juli tilknyttet MEPRICA i en 10 % stilling, men har fortsat arbejdsplads ved University of Washington i Seattle, USA. Dimitry skal beskæftige sig med projekter inden for området ”mental and physical comorbidity”.

Marie-Louise Ladegaard Baun er ansat pr. 1. juli og skal beskæftige sig med et projekt vedr. ”Use of fast transvaginal ultrasound in general practice to improve diagnostics of patients with uncharacteristic symptoms of ovarian cancer”.

Maja Skov Paulsen er ansat pr. 1. juli en dag pr. uge som projektkoordinator og skal være tilknyttet projektet PROCRIN, men har arbejdsplads ved DAK-E i Odense.

Henry Jensen har forsvaret sin ph.d.-afhandling den 24. juni og er nu ansat som postdoc.

Grete Moth er pr. 1. august kommet tilbage efter et års orlov og er nu ansat 10 timer pr. uge.

Marie Mortensen er gået på barsel pr. 21. august.

Marlene Rosengaard Møller er gået på barsel pr. 19. august.

Pernille Libach Hansen er fratrukket pr. 31. maj, men er fortsat tilknyttet CaP.

Johanne Korsdal Sørensen er fratruddt pr. 31. august.

Charlotte Gjørup Pedersen er fratruddt pr. 31. august.

Lokaler og økonomi

Intet nyt.

Er vi danskere bare en flok pylrehoveder, der render til lægen? Politiken, 8. april 2015.

Fagbøger:

Christensen KS, Pedersen AF

Den problemløsende samtale. Kapitel i: Medicinsk Kommunikation (redigeret af: Kaj Sparle Christensen, Søren Cold, Tove Hansen, Merete Jørgensen, Anette Fischer Pedersen, Birgitte Dahl Pedersen). FADL's Forlag, København, 2015, 2. udgave, s. 133-140.

Enhedens aktiviteter

Arrangementer og gæster (større og væsentlige med ledelsesansvar)

Mental Health in Primary Care (MEPRICA) havde besøg af Dimitry Davydow fra University of Washington i Seattle i perioden 28. februar - 8. marts. Han holdet oplæg den 3. marts under overskriften "The role of psychiatric illnesses and cognitive impairment in risk of potentially preventable hospitalizations and early rehospitalizations".

Forskningsenheden havde besøg af Susan Michie fra University College London den 18.-19. maj, hvor hun blandt andet afholdt en workshop under overskriften "the behaviour change wheel: a new method for characterising and designing behaviour change interventions".

Center for Forskning i Cancerdiagnostik i Praksis (CaP) var involveret i organisationen af den årlige konference for the Cancer and Primary Care Research International Network, "Ca-PRI 2015", som blev afholdt i Aarhus den 20.-22. maj.

CaP fik endvidere besøg af Ulrika Sandén og Frederik Eriksson fra Karolinska Institutet, Stockholm, den 25. juni angående kræftudredningsforløb og af Matthias Hohmann, Gill Barnard, Julia Marian Taylor og Kathryn Wynne-Jones fra Oldham, Manchester, den 30. juni.

CaP fik også besøg af Berit Brattheim, Heidi Gilstad, Tonje Osmundson, Line Melby og Erna Håland fra Norsk Center for Elektronisk Patientjournal, Norges Teknisk-Videnskabelige Universitet, Oslo, den 11. august vedrørende forskningssamarbejde om udvikling af pakkeforløb for kræftdiagnostik.

Undervisning og kursusledelse

Ahrensberg JM

- Kommunikationsundervisning. Prægraduat undervisning på medicinstudiet, Aarhus Universitet, 2.-4. juni.

Christensen MB

- Kursusleder ved Forskningstræning for Almen Medicin, Videreuddannelsesregion Nord.
- Forskningstræning, Introkursus, 4. og 6. maj.
- LUP kursus, Silkeborg, 7. maj
- Møde for praksis i aarhus om akkreditering, 2. juni

Ingeman ML

- Mavesmerter: Forelæsning for medicinstuderende på Abdomensemestret. Aarhus Universitet, 12. maj.

Nielsen MK

- Sygdom og sundhed, studiestartsundervisning på medicinstudiets 1. semester, Aarhus Universitet, 25. august.

Nørøxe KB

- Case-undervisning på medicinstudiets Abdomensemester. Aarhus Universitet, 20. maj.
- Sygdom og sundhed, studiestartsundervisning på medicinstudiets 1. semester, Aarhus Universitet, 25. august.

Olesen F

- Undervisning ved videreuddannelsen i almen medicin: introduktionskursus, screening og tidlig cancerdiagnostik, videreuddannelsen for praktiserende læger.
- Forløbsprogrammer – sammenhængende patientforløb, University College Syddanmark, Efter- og Videreuddannelsen, 31. august.

Ribe AR

- Studiestartsundervisning, Almen Medicin, Aarhus Universitet, forår 2015.

Vedsted P

- Kronikere og multisygdom i almen praksis. Specialeuddannelsen i almen medicin. Aarhus, 27. maj.
- Kræftdiagnostik i almen praksis: Efteruddannelse Kræftplan III. Region Hovedstaden, Hillerød, 2. juni.
- Kræftdiagnostik – en 3-benet strategi: Fokus på diagnostiske centre. Kræftens Bekæmpelse, København, 4. juni.
- Tidlig diagnostik af alvorlig sygdom – cancer i praksis. Specialeuddannelsen for almen medicin, Aarhus Universitet, 8. juni.

Deltagelse i grupper og udvalg (nyt siden sidste rapport)

Bro F

- Medlem af Fagligt Råd, Fonden for Almen Praksis, 1. juli.

Guldin MB

- Medlem af Board of Directors, European Association for Palliative Care, 1. maj.

Olesen F

- Medlem af advisory board vedr. speciallægeplanlægning, Aalborg Universitetshospital, 1. maj.
- Fratrådt som formand for Kræftens Bekæmpelse, 1. juni.
- Præsident for Den Danske NCD Alliance, 1. august.

Vedsted P

- Organizing Committee, Rational Diagnostics 2015, Nordic conference on diagnostic centers/units.
- Forskningsudvalget for Hospitalsenhed Midt, Region Midtjylland, juni.
- Bedømmelseskomite for KnækCancer-midler, juni.

Vestergaard M

- DSAM-repræsentant i styregruppen for Dansk Depressionsdatabase (DDD), maj.

Deltagelse i møder, kurser, kongresser og lignende

Aarhus R

- Rational Diagnostics 2015: Nordic conference on diagnostic centers/units, Aarhus, 20. maj.
- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus, 20.-22. maj.

Andersen RS

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care (arrangør), Aarhus, 20.-22. maj.
- NAEDI comparative project (workshop), Oxford, Storbritannien, 11.-12. juni.

Bro F

- The Behavior Change Wheel, workshop med Susan Michie, Aarhus Universitet, 19. maj.
- Dansk implementeringsnetværks årsmøde, Fredericia, 20. maj.
- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care (arrangør), Aarhus, 20.-22. maj.
- Folkemødet 2015, Allinge, 11.-14. juni.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Christensen KS

- Møde i netværk for kommunikation i sundhedsvæsenet: Den eksistentielle samtale, Vejle, 18. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Christensen MB

- EurOOHnet møde i ROM. 21. og 22. maj
- Møde med den præhospitale enhed, Region Hovedstaden. 11. juni
- Nordisk Kongres. 15.-18. juni.
- Møde med ”præhospitalet”, Region Midtjylland. 13. august.

Ebert JFM

- Stata and Datadocumentation, ph.d.-kursus, Aarhus Universitet, 17.-18. august.

Guldbrandt LM

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus, 20.-22. maj.
- Kommunikation, Videreuddannelse Nord (speciallægeuddannelse), Ebeltoft, 8.-9. juni.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni 2015.

Guldin MB

- 14th World Congress of the European Association for Palliative Care, København, 8.-10. maj.
- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care (arrangør), Aarhus, 20.-22. maj.
- Kræftens Bekæmpelses repræsentantskabsmøde, Kolding, 31. maj.
- Folkemødet 2015, Allinge, 11.-14. juni.
- World Congress of Psycho-Oncology, Washington DC, USA, 29. juli - 1. august 2015.

Huibers L

- EurOOH netværksmøde 2015, Rom, 21.-22. maj.
- Nordic Congress of General Practice 2015, Göteborg, 16.-18. juni.

Jensen LF

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus, 20.-22. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni 2015.
- Workshop i Kræftens Bekæmpelse: Udvikling af mobilapplication i cancer opfølgning, København, 11. august.

Juul JS

- Clinical Research, Graduate School of Health, Aarhus Universitet, 5.-8. maj.
- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus, 20.-22. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Kristensen BK

- Talent development, Graduate School of Health, Aarhus Universitet, 14. april - 7. maj.
- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus, 20.-22. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.
- Epidemiology II, Graduate School of Health, Aarhus Universitet, 10.- 19. august.

Merrild CH

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 19.-22. maj.
- SENCANCER seminar, Networking seminar with UiT Tromsø, Aarhus, 23. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18.juni 2015.

Mortensen M

- Integrated care meeting: psychiatry in medical setting, University of Washington, Seattle, 11. maj.
- Research networking group: expanding behavioral health workforce research, University of Washington, Seattle, 18. maj.
- Research networking group: a behavioral intervention for managing depression through a novel “brain game”, University of Washington, Seattle, 22. juni.

Nielsen MK

- 14th World Congress of the European Association for Palliative Care, København, 10.-12. maj.
- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 19.-22. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Nielsen TLO

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 19.-22. maj.
- NAEDI comparative project, workshop, Oxford, 11.-12. juni.
- The human condition – reinventing philosophical anthropology, Aarhus, 24.-26. juni.

Næser E

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 19.-22. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Nørøxe KB

- Variation i Sundhedsvæsenet. Konference om variation i klinisk praksis og performance, Odense, 2. juni.

Officersen SMH

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 19.-22. maj.
- SENCANCER seminar, networking seminar with UiT Tromsø, Aarhus, 23. maj.

Olesen F

- Møde i CANCON Stakeholder Forum, europæisk arbejdsgruppe om cancer, Bruxelles, 12. maj.
- Møde i Nordisk Cancer Union, Reykjavik, Island, 22.-23. maj.

Pedersen AF

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus, 20.-22. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Pedersen CG

- EurOOH netværksmøde 2015, Rom, 21.-22. maj.

Rosendal R

- Sådan bruger vi data, Praksisdag Syd (arrangør), Fredericia, 8. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.
- IKAS: surveyoruddannelse, København, 13.-15. august.

Toftegaard BS

- The behavior change wheel, workshop med Susan Michie, Aarhus Universitet, 19. maj.
- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care. Aarhus, 20.-22. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Vedsted P

- Cancer Centrum Sydöst, Sverige: Møde om pakkeforløb. Jönköping, 5. maj.
- 19th Nordic Congress of General Practice 2015, Göteborg, 15.-18. juni.

Vestergaard M

- Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care. Aarhus, 20.-22. maj.
- Paneldeltager ved temadag for almen medicin om sårbare patienter, Aarhus, 11. juni 2015.

Individuelle foredrag

Bro F

- En regional strategi for implementering af kliniske vejledninger, Viborg, Det Regionale Kvalitetsteam for Almen Praksis, 20. august.

Christensen KS

- Depression treatment in the primary care context – pills, psychology, or other panacea? Nordic Congress of General Practice 2015, Göteborg, 16. juni.

Christensen MB

- Oplæg om organisering af almen praksis i Danmark for en gruppe praktiserende læger fra England og Kina, 6. maj.

Fenger-Grøn M

- Mental distress and the prognosis of myocardial infarction - spousal bereavement as a natural experiment, 19th Nordic Congress of General Practice 2015, Göteborg, 17. juni.

Guldbrandt LM

- General practice consultations: diagnostic investigations and prescriptions in the years preceding a lung cancer diagnosis, 19th Nordic Congress of General Practice 2015, Göteborg, 17. juni.
- The effect of direct referral for fast CT scan in early lung cancer detection in general practice. A clinical, cluster-randomised trial, Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 22. maj.

Guldin MB

- Complicated grief – the role of palliative care, 14th World Congress of the European Association for Palliative Care, København, 8.-10. maj.
- Kompliceret sorg, Folkemødet 2015, Allinge, 11.-14. juni.
- Bereavement care in European palliative care, World Congress of Psycho-Oncology, Washington DC, 29. juli - 1. august 2015.

Huibers L

- Citizen behaviour in case of a potential acute health problem outside office hours, EurOOHnet 2015, Rom, 21.-22. maj.
- After-hours, telephone triage, primary care, organisation, quality (workshop), 19th Nordic Congress of General Practice 2015, Göteborg, 16.-18. juni.

Jensen LF

- Geographic variation and cancer outcome, Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 21. maj.
- Chronic diseases, multimorbidity and non-participating in breast cancer screening, Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 21. maj.
- Risk perception and clinical decision making in primary care (workshop), 19th Nordic Congress of General Practice 2015, Göteborg, 16. juni.

Juul JS

- Behavior change in complex intervention research (seminar), diskussion af igangværende ph.d.-projekt, Aarhus Universitet, 19. maj.

Kristensen BK

- GP reminders' effect on follow-up: the Danish Cervical Cancer Screening Programme, Ca-PRI 2015: The escalating cancer challenge – essential roles for primary care, Aarhus Universitet, 21. maj.
